

## **SUPPLIES FOR ACRYLIC ART CLASSES:**

### **Beginners Class – Wednesday evening (each week) 6 – 8:30 pm**

- Paper Towels
- Old wash cloths or small rags
- Wet Palette with paper and sponge (*Masterson Sta-Wet Palette with Refill Pack is best*). *There are about three different sizes to choose from. (I suggest a large palette for lots of mixing room).*
- Brushes (*taklon or any synthetic brushes work best*)  
(*watch for sales/coupons for Michaels Store, supplies can also be purchased at Oregon Art, University of Oregon Book Store and on line at cheapjoe's.com, danielsmith.com, DickBlick.com, or qualityart.biz, etc.*) Start with a few basic brushes (filbert, angle, 2" flat blending brush, liner, a small bristle fan brush, etc.) and add more as you progress and find which ones you like the best.
- Palette Knife
- Paint colors (*do not purchase Academy or Student grade paint... it does not have enough pigment for successful paintings.*)  
I prefer Golden or Liquitex paints.  
Start with a few basic colors and add to them as you progress in your painting skills: Burnt Umber, Ultramarine Blue, Sap or Hookers Green, Burnt Sienna, Yellow Ochre or Naples Yellow, Titanium White, Alizarin Crimson.
- Canvases (*you will need 11 x 14 canvases to use in the first three classes*). *You can purchase them yourself or they are available for purchase in the classroom at \$ 5.00 ea. Please do not use canvas boards for acrylic painting. A good portrait/smooth canvas is best for successful paintings.*
- Tracing Paper (*Calque –fine textured by Canson is the best.*)
- Transfer Paper (*black and white*)(*do not purchase the grey*)

#### **Notes:**

-Be sure to wear an apron or paint shirt to protect your clothing from paint. Acrylic paint does come out but it is not easy to remove.

-Easels and water containers are provided in the classroom.
